LANGUAGE PROGRAM + COOKING CLASSES

LANGUAGE PROGRAM + COOKING CLASSES

FOR TEENAGERS (11 TO 18 YEARS)/ FOR KIDS (6 TO 10 YEARS)

Do you want to become in a real Master chef while you learn English? This is your program! Learn your favorite language and receive cooking lessons from a recognized Spanish chef. In the afternoon, enjoy the beautiful city of Barcelona and its surroundings and learn its culture through our cultural, leisure and sport activities.

ENGLISH | SPANISH | FRENCH | GERMAN | ITALIAN | CHINESE | ARABIC | OTHER LANGUAGE ON REQUEST

MISSION

The aim of this course is that students improve their language skills at the same time that they learn Spanish cooking culture. Students enjoy 10 hours of cooking lessons per week from a professional Spanish Chef. Students develop their cooking skills cooking new international and Spanish recipes at the same time that they practice the second language. Once a week, you participate in Our Master Chef competition with amazing prizes for winners.

During the whole program, students are going to be in the second language speaking environment what helps the students to develop their language level with all the day activities and not only during the lessons. Besides, in this program, students are going to learn the highlights of the Spanish culture (monuments, food, customs...)

THE PROGRAM INCLUDES

LANGUAGE LESSONS

- 10 hour language lessons per week (Monday- Friday)
- 10 Hours COOKING lessons per week

Each week, a workshop is organized so that you can practice what you have learnt throughout the week. These workshops are adapted according to the course language level.

- Access to wiki with contents of the course
- Tuition and class material
- Qualified and native teachers
- Certificate at the end of the program

ACTIVITIES

- Leisure, sport and cultural activities in the afternoons/ evenings every day
- Two Day Weekend activities

COMMUNICATIVE METHODOLOGY

In our classes, we always use the Communicative Methodology in order that you can use what you learn from the beginning. The classes are 100% interactive. Besides, communicative resources are used (videos, songs, games, quizzes, role plays, films...) in order that you have fun while you are learning. All the instructional materials are included in the courses and they are adapted and personalized regarding the student level and needs. Students always have access to the wiki of the course where they can find all the instructional materials and information from the workshops for future revision.
