SPEAKING LANGUAGE PROGRAM

SPEAKING LANGUAGE PROGRAM

FOR TEENAGERS (11 TO 18 YEARS)/ FOR KIDS (6 TO 10 YEARS)

Do you want to speak English fluently? If your answer is yes, this is your program. Develop your oral skills at the same time that you have fun with our oral interactive workshops.

Our teachers have developed a new methodology to develop oral skills in an effective way. Come to one of our programs and check how fast you can begin to speak a second language successfully.

In the afternoon, enjoy the beautiful city of Barcelona and its surroundings and learn its culture through our cultural activities.

ENGLISH | SPANISH | FRENCH | GERMAN | ITALIAN | CHINESE | ARABIC | OTHER LANGUAGE ON REQUEST

MISSION

The aim of this course is that students improve their English language skills at the same time that they are having fun. That's why our courses are interactive and practical following the communicative methodology. During the whole program, students are going to be in a foreign language speaking environment what helps the students to develop their language level with all the day activities and not only during the lessons. Besides, in this course, you are going to learn the highlights of the Spanish culture (monuments, food, customs...)

THE PROGRAM INCLUDES

LANGUAGE LESSONS

- 20 hour SPEAKING Language lessons per week (Monday- Friday)

- Interactive workshops every week

Each week, a workshop is organized so that you can practice what you have learnt throughout the week. These workshops are adapted according to the course language level.

- Access to wiki with contents of the course

- Tuition and class material

- Qualified and native teachers

- Certificate at the end of the program

ACTIVITIES

- Leisure, sport and cultural activities in the afternoons/ evenings every day

- Two Day Weekend activities

ACCOMODATION AND TRANSPORT

- Accommodation in private room with private bathroom for 2 students

5 meals included a day (breakfast, snack, lunch, supper, dinner)

- Qualified and certified monitors

- Transport in all the program

- Transfer from/to the airport

COMMUNICATIVE METHODOLOGY

In our classes, we always use the Communicative Methodology in order that you can use what you learn from the beginning. The classes are 100% interactive. Besides, communicative resources are used (videos, songs, games, quizzes, role plays, films...) in order that you have fun while you are learning. All the instructional materials are included in the courses and they are adapted and personalized regarding the student level and needs. Students always have access to the wiki of the course where they can find all the instructional materials and information from the workshops for future revision.

Our courses follow the European Language framework. In a 4 week intensive program, you can achieve one of the following levels:
